To Whom It May Concern,

RE: Job, Work Experience & Internship Vacancies,

**Currently the studio is unable to offer any form of casual, part time or full time jobs / internship. Nor regular, or week placement type work experience.**

We receive a high volume of emails every week enquiring about this topic and this is a small business with no HR department - because of this, at times it becomes difficult to reply to all of them so please do not take it personally if you do not hear back.

However, occasionally there are projects where casual work experience is suitable and would be beneficial, these will be advertised on our Facebook page ([www.facebook.com/WitneyMusicStudios](http://www.facebook.com/WitneyMusicStudios)) so if this is what you are looking for then please keep an eye on the page for more info.

Regards,

Witney Music Studios
