

Testimonial - December 2016

You and your professional staff will never know how you gave me a reason to get out of bed (sorry sofa I was sleeping on), live a full life and keep going. The ambience, cleanliness and compassion, no judgement and above all, safe at all times. There could have been social disruptions and with your personal skills they were extinguished before a flame was ignited. Always with style and grace I must add. Your service and organisation should be a role blue print for other establishments. It is a success. I just wish I had found you guys sooner for my address at the time.

The first time I went to St Cuthbert's Centre I had no money yet was not turned away and given the best hot meal.

Thank you and all the staff there.

I will be in touch and god is guiding me.

God bless you and the Staff MERRY CHRISTMAS

I am following my dream.
