

# AOTA ArtTrek Locations

**ArtTrek** is a summer-long Grand County, CO art adventure. Highlighted by snow-covered mountain vistas and rolling meadows threaded with sparkling streams and rivers, numerous sites call out to all artists. Locations have been chosen for their unique beauty and variety and are located on public routes.

**ArtTrek** is loosely organized through a Google Group (aka ArtTrek Grand County). Everyone who wants to participate is welcome. Just give Marie Johannes or Donna Lyons your email address and you will be added to the ArtTrek Grand County Google Group. The Google Group is essentially an email Group Contact list. Marie and Donna keep the list up to date so you don't have to! When your name is added to the list, you will receive an email welcoming you. Afterward, just add [ArtTrekGrandCounty@googlegroups.com](mailto:ArtTrekGrandCounty@googlegroups.com) to your email contact list and use it to communicate with the group.

If you want to go art trekking, send [ArtTrekGrandCounty@googlegroups.com](mailto:ArtTrekGrandCounty@googlegroups.com) an email. Let everyone know when and where you have in mind. Those who can join you will email back and everyone on the list will know who's going. While Google Groups may be new to you, once you respond to or send a couple of emails, you'll see it's quite simple.

Questions? -- Contact Marie ([bamjoh@yahoo.com](mailto:bamjoh@yahoo.com)) or Donna (970-531-0299)

PS. If you have a location that we can add to this list, we'd love to hear about it!
