## The Second Annual Buffalo Short Track Speedskating Championships Comes to the Northtown Center in Amherst on Saturday and Sunday, October 24-25, 2015.

As Western New York builds its reputation as an international center for hockey, another sporting event will put Buffalo on the international "ice" stage: the second annual Buffalo Short Track Speedskating Championship. Coming to the Northtown Center on October 24-25, the Meet brings together 125 skaters, ranging in age from 5-75, from the United States and Canada to compete in a US Speedskating sanctioned event.

People speedskate in WNY? Yes! And have been since the early part of the 20th century. In the 1930s, Buffalo native Catherine "Kit" Klein won gold and bronze medals at the 1932 Winter Olympics in Lake Placid, when women's speedskating was a demonstration sport. In 1931 more than 12,000 fans came to Delaware Park to watch her defend her city speed skating championships. Continuing on through the 40s, 50s, and 60s the Buffalo speedskating scene was very active with five different clubs and hundreds of members. Today, the Buffalo Speed Skating Club has active members ranging in age from 5-75!
