

Once again the Matric results have been received with great excitement and some of the marks may set a record for some years to come. We congratulate the Matrics of 2016 on an outstanding set of results!

Below are some highlights:

- Inae Kim is the top student with an average of 90% and 6 distinctions.
- Christoff Rossouw is in second place with an average of 89% and 5 distinctions.
- Rebecca Stead is in third place with an average of 88% and 4 distinctions.
- Travis Defty achieved an average of 85% and 5 distinctions.
- Zarah Vermeulen achieved an average of 83% and four distinctions.

66% of the class achieved Matriculation Exemption, which grants them University entrance.  
94% achieved the equivalent of a SAQA Senior Certificate which gives them University of Technology or college entrance.

(The minimum requirement for a University pass is 4 x AS Levels passed with D symbols plus another IGCSE subject passed with a C symbol. The minimum requirement for a University of Technology diploma course, or entry to a college diploma, is 2 x AS Levels passed with E symbols plus 3 x IGCSE's passed with C symbols).

The summary of symbols below reveals that 73% of all subject results were above 60% and 42% of all subject results were above 80%.

*Please note that results are considered provisional until the end of the enquiry period, when the certificates are produced. This is due to the possibility of adjustments due to re-marks, etc.*

Well done to all our Matrics as well as their teachers, for their hard work and dedication in 2016.
