Die eerste kwartaal van 2017 is verby en vir die kleinspan en juffrouens was dit beslis 'n opwindende tydperk. Ons het in ons nuwe fasiliteit ingetrek en die pragtige, groot klaskamers is ingerig sodat u kleuters maksimaal kan voordeel trek uit ons akademiese program. Ons fokus hierdie kwartaal was beslis die kleuters se emosionele aanpassing by die roetine van ons skool en om te kan sosialiseer met al hul nuwe maats. Gedurende die eerste Kwartaal word u kleuter blootgestel aan 'n omgewing wat veilig, leergesentreerd en stimulerend is en waar hul uitgedaag word om te leer.

Kinders leer deur te SPEEL! So, word buite- sowel as binne-aktiwiteite met dieselfde entoesiasme aangepak. Probleemoplossingsvaardighede word aangemoedig sodat die kleuters kan groei na onafhanklike denkers wat met selfvertroue probleme in die klas kan oplos.

Tydens die eerste kwartaal word daar 'n gehoorsifting gedoen deur ons bekwame spraakterapeut, Anneke de Kock. Dus kan ons met oortuiging seker maak dat die gehoor wel werk en dat leer sonder hindernisse kan plaasvind. Ons doen ook 'n grondlynassessering met al ons kleuters om te bepaal waar die kleuters ten opsigte van hul perseptuele- asook groot- en fynmotoriese vaardighede staan.

U sal binnekort u kleuter se vordering-sowel as dissipelskapverslag ontvang. Maak dadelik werk van areas wat wel nog aandag behoort te geniet.

Ons kleuters is met 'n spoed oppad na die uitdagings van die Tweede kwartaal. Kom ons maak dit vir hul 'n fantastiese reis deur hande te vat en hul Gr 0 en 00 jaar onvergeetlik te maak!

**PRE-PRIMARY DEPARTMENT
TERM 1 2017**

DISCIPLESHIP

**TERM 1 - UMBRELLA FOCUS:
FELLOWSHIP WITH GOD.**

The children are encouraged daily that Jesus is their best friend, and because of that they must spend time with him to get to know Him and His voice.

The term Character Qualities were as follows: -

GOD IS MY CREATOR

Scripture: Know that the Lord is God it is he who made us and we are His Psalm 100:3

GOD IS LOVE

Scripture: For God so loved the world that He gave His Only Son, that whoever believes in Him shall not perish but have eternal life. John 3:16

GOD IS WISE

Scripture: Obey the Lord, and refuse to do wrong

Assemblies

This has been a wonderful term, and is such a blessing to see the growth in God in the children's lives. They pray with a love for Jesus and with thankful hearts. It is such a blessing to see the children worship God with their hands raised to Him in our Praise and Worship times, both in the classes as well as during our assemblies. They also love to interact and do little dramas while the teacher tells the story.

We were very privileged to have one of the daddies, Craig Batchelder come and lead us in praise and worship during one of our assemblies with his guitar which the children loved.

Each week a new class Disciple is chosen and the children encourage them and are happy for those chosen.

The Grand Opening Whole School Assembly

We had an amazing assembly with the whole school, from the littlest Grade 00 pupil to the Grade 12 pupils. This was to Thank and praise our God for the wonderful new school we were taking occupation of that day March 6th 2017.

Appreciation day

We celebrated Appreciation Day on the 14 February where we appreciated our very own very emotional Theresia. She was really, very touched by the love and support everyone showed her

In Term 2 we will be focussing on SELF WORTH as our Umbrella Focus for the term, underpinned by the Character Qualities of God:- God is Truth and Light, God is

Healer and Forgiver and God is Peace and Joy.

We look forward to seeing what God is going to do in the lives of His little Blessings. Have a wonderful Easter celebrating what Jesus did for us on the cross and His joyous resurrection.
BLESSINGS

Sport – kwartaal 1

Wat 'n vreugde om te sien hoe die kinders sport op 'n Maandag geniet.

Die dogters het hierdie kwartaal balspele gedoen en die seuns mini-krieket . Ons gee baie aandag aan vang, gooi asook voet- hand koördinasie. Dit is verbasend om te sien hoe daar op die gebied vordering is.

Ek beklemtoon weereens die belangrikheid van sport deur vir u, onder andere, 'n paar waardes van sport uit te lig:

- Kameraadskap
- Leer om te verloor
- Respek vir gesag
- Beheer van emosies
- Selfbeeld
- Geduld
- Toewyding
- Werk saam
- Minder selfsugtig
- Veerkragtigheid (Resilience)

Ek kan nie genoegsaam die belangrikheid van sport aanspreek nie en ek sien uit na volgende kwartaal waar ons met mini-hokkie gaan begin.

School Life

Our Pre-Primary School Life programme started in the second week of our school term. We had a lovely picnic with fun activities for both parents and children. The teachers, parents and children got to know each other a bit better in an informal setting. Parents had time to mingle with each other and exchanged contact details to arrange play dates in the coming weeks. The weather played along very well and we had a lovely time on the sports field.

We started packing in the last few weeks of February to get ready for the Big Move to our new Pre-Primary campus. The opening took place on the first Monday in March and was well attended by the parents and the rest of the school body. Members of the School Board and other VIP's attended the function in the new staff room afterwards. We had a beautiful cake representing the themes of each class and the children thoroughly enjoyed eating it after the cake cutting ceremony and the cutting of the ribbon.

The last event of the term was the Big Walk which took place at the Sonstraal Dam. After walking around the dam, the teachers, parents and children enjoyed a picnic under the trees.

We had a very busy term and all the children are looking forward to the holidays and trusting it will be a fun-filled time spent at home with family. Thank you to all the parents who helped with the big move and making our School Life events successful and enjoyable. The children and parents look forward to these memorable events.
