Dear Fari,

I wanted to take this opportunity to extend my warmest thanks to you for the incredible portrait you painted of me. My family absolutely agrees that you managed to capture my good side. I am honored to have been in your thoughts and beyond humbled that you took the time to share your talent with me. It's apparent from my portrait, and the others on your website, that you truly have an ability to capture the human spirit in your work.

I'm honored to have this one-of-a-kind piece, and I look forward to finding the perfect place to hang it. Thank you again for sharing your incredible gift of painting with me.

God bless you and your family.

Sincerely,

A handwritten signature in black ink, appearing to read 'Greg Provenzano', written over a light blue horizontal line.
