

- this indoor chair is designed only for sitting, no standing.
- if you are not used to work with the specified materials, ask for help on this
- while cleaning and drying, make sure children are absent
- make sure to work in an appropriate, ventilated environment or outside

Use K2r or a similar product to remove stains.
Please read the entire instructions on the aerosol carefully before using this product.

K2r Original is highly effective in removing oil and grease from dry-clean only fabrics (including polyester, acrylic, nylon, wool blends-regular and knits), washable fabrics, carpets and household and office upholstery (including sofas, recliners, chairs, etc.).

Where to buy ?
Store locations can be found worldwide, just search on the internet.

Steps :

1. Simply spray the stain.
2. Allow to dry to a white powder.
3. Suck away the powder with a vacuum cleaner
4. Repeat on stubborn stains.
