Sponsor a Horse – The Basics

JAKES Club is proud of each and every one of our program horses! They are the backbone of the ministry serving children and families with the love and gentleness only they can provide. Each horse must pass a series of exams to become one of the horses trusted to partner with our riders. Just like people, they display certain personality traits, which made us pick them to become one of our program horses to serve our special families.

Along with unique personalities, did you know that our horses...

- Have regular examinations by the veterinarian for inoculations, illness and accidents?
- Have a special feed recipe with MFA and extra supplements to keep them healthy?
- Eat hay every day? Some of them eat almost a whole bale a day!
- Have their nails (hooves) trimmed every six to eight weeks by the farrier?
- Wear shoes? Some wear only front shoes and some wear four shoes.
- Some have clothes to wear and need heated water buckets in the winter?
- Need help in the summer keeping flies away with mask and spray so they don't get infected bites?

One Horses Care for One Year!

- De-Worming – \$50
- Veterinary Care – \$400.00
- MFA Feed – \$190.00
