### TASTING NOTES

An extremely seductive, strong and juicy Pinot Noir. The ripe, nuanced rich burgundy fruit with notes of wild berries and cherries is absolutely splendid in glass. Additionally, the supple texture, the fine ripe tannins, and an all encompassing elegance elevate this wine into the noble class. The long and lasting finish is one to remember.

### FOOD PAIRING

Exquisite to meat pies, duck, goose and other wild poultry, as well as to stuffed veal breast, grilled meats but also to fish and soft cheese.
