

NEVER MIND THE WEATHER – LET’S PLAY

Catch the Rain

Location: Indoors and Outdoors

Age Range/skills required: Any age can play

Learning Objective: Have fun with an activity which helps develop throwing and catching skills, counting skills and turn taking

Curriculum area (s) PE, PSHE, Maths

Resources: 20 markers

Instructions:

- Scatter 10 around which are the right way up and the other 10 the wrong way up.
- Divide the children into 2 teams.

- **To Play:**

Explain to the children that they have to imagine that it is raining and Team A want to catch the rain in the upside down markers but Team B do not want to catch the rain.

Give the children a set time and tell them that they have to put the markers the right way up for their team! Once the game has finished count and see which team has managed to get most markers their way.
