**Curriculum area (s)** PE, PSHE

**Resources:**

**Instructions:**

Everyone stands in a circle with one Caller.

• **To Play:**

Players name themselves round the circle, Whales, Winkles or Crabs.

When one of those groups is called they go outside of the circle.

If the Caller calls ‘fast tide’ the group moves quickly, if slow tide is called they move slowly, ‘Trawlers are coming’ requires the group to crawl on their hands and knees to avoid the nets.

’Tide Turns’ makes the group change direction.’ Tide in’ means the group have to complete circuit and return to their place.
