*To get the full benefits of the mentorship program we ask that you commit to meeting with your mentor at least one hour per month, and communicating with your mentor at least once a week either by e-mail or telephone.*

Why are you interested in getting a mentor?

Are there any particular things you'd like a mentor to help you with?

What special interests, hobbies, or leisure activities do you enjoy when you're not in school or at work?

Please share any additional information about yourself which can help to match you with a mentor.
