

~2016 AOTA ArtTrek (Grand County)

ArtTrek Grand County is a summer-long Grand County, CO art adventure. Highlighted by snow-covered mountain vistas and rolling meadows threaded with sparkling streams and rivers, sites throughout the county call out to artists. ArtTrek locations have been chosen for their unique beauty and variety and are located on public routes. **ArtTrek Grand County** is loosely organized through a Google Group.

Everyone who wants to participate in **ArtTrek Grand County** is welcome. Just give Marie or Donna your email address (see below) and you will be added to the **ArtTrek Grand County** Google Group. The Google Group is essentially an email Group Contact list. Marie and Donna keep the list up to date so you don't have to! When your name is added to the list, you will receive an email welcoming you. Afterward, please add ArtTrekGrandCounty@googlegroups.com to your email contact list and use it to communicate with the group.

If you want to go ArtTrekking and are looking for company, simply send an email to **ArtTrekGrandCounty**. Let others know when and where you want to go or ask others when they are available and where they would like to go. After a few emails back and forth to establish a meeting date, place and time, you will know who else can participate in this trek. While Google Groups may be new to you, once you respond to or send a couple of emails, you'll see it's quite easy.

The following is a summary list of painting locations. Please let us know of any other locations we can add to our list! We are always looking for great spots! See our Location List for details.
